
BIESSE JADE 240 edgebander
Biesse - Code : AR01359

Technical description

BIESSE JADE 240 edgebander

- Registration number: 23971
- Year: 2017
- Origin: India
- Condition: Used
- Availability: in stock

Technical characteristics :

total length of the machine: 5213 mm
panel thickness: 10 - 60 mm
edge material height: 14 - 64 mm
edge thickness: 0.4 - 3 / 8 mm

BIESSE JADE 240 edgebander

Biesse - Code : AR01359

Technical description (continuation)

forward speed: 12 m/min

minimum panel length: 150 mm

minimum panel width

with a length of 150 mm: 85 mm

with a length of 250 mm: 50 mm

Machine composition:

- Calibrator rectifier group H=60mm
- Glue tray
- 3 Pressure rollers
- Pneumatic tilting end cutting unit
- Flush group
- 2-head copier group
- Shape scraper
- Surface scraper group
- Fixed finishing brush group
