
4-SIDED GAU JING GN-6S23U

-- Code : AR01486

Technical description

4 Faces GAU JING GN-6S23U 6 Shafts 230x160mm

Condition : Used

Availability : In stock

Machine composition

- Maximum section width 230mm
- Minimum section width 10mm
- Maximum section height 160mm
- Minimum section height 7mm
- Lower grooved shaft 7.5hp
- Straight 10hp spindle moulder
- Left-hand spinning top 10hp
- 15hp planer shaft
- 7.5hp jointer shaft

4-SIDED GAU JING GN-6S23U

- - Code : [AR01486](#)

Technical description (continuation)

-Universal 10hp shaft

Technical specifications:

- Type: Industrial 6-shaft planer-moulder
- Simultaneous machining of all 6 faces
- Variable mechanical advance
- Control panel with digital display
- Full safety cover
- Multiple suction inlets
- CE compliant
- 6 notched galleys 50mm
- 2 notched gale 25mm
- 5 smooth 50mm galleys
- Tendème system for small parts, 180mm
