### BIESSE ROVER 35L machining center

Biesse - ROVER 35L

#### Technical description

BIESSE ROVER 35L machining center

Description:

Machining range:

X:4500mm Y:1650mm Z:180mm

Composition :

- Electromandrin 10CV Air cooling in ISO30
- 21 position chain tool magazine
- Vacuum pump 250m3/h
- ATS predisposition for vertical or horizontal pneumatic blocking
- BH28 drilling head
- 8 bars
